

He and She

Chapter 1 by Wander

There was the tale about a wolf and red riding hood. But, think of it retold. Apply it to something today, modernize it, but then remember the people around you.

The brute of a little girl, who never knew kindness. The gentle little boy, who never knew hate. This boy always wore red, his mothers favorite color. This girl always picked fights and won, her father was proud.

Just like an old tale, they would grow and be forgotten in time.

Except, this is their story.
